

'You want to be a Firework-Maker?
Walk into my flames!'

More than anything else in the world,
Lila wants to be a Firework-Maker.
But every Firework-Maker must make a perilous
journey to face the terrifying Fire-Fiend!

Can Lila possibly survive?
Especially when she doesn't know she needs
special protection to survive his flames . . .

'One of those rare books with a confident magic
all their own . . . delivered with a lightness
of touch that is sheer genius'
Independent

'A brilliant book if you want to escape to more
glamorous locations. Full of hilarious, lovable
characters, this is a book you will want to
read over and over again'
