
Special journeys

In RE today we're going to think about journeys

Have a quick think…

- What do you think a journey is?
- What special journeys have you made?
- How long did the journey take you?
- Who was your companion on the journey?
- How did you feel when you arrived?
- How important was your journey?

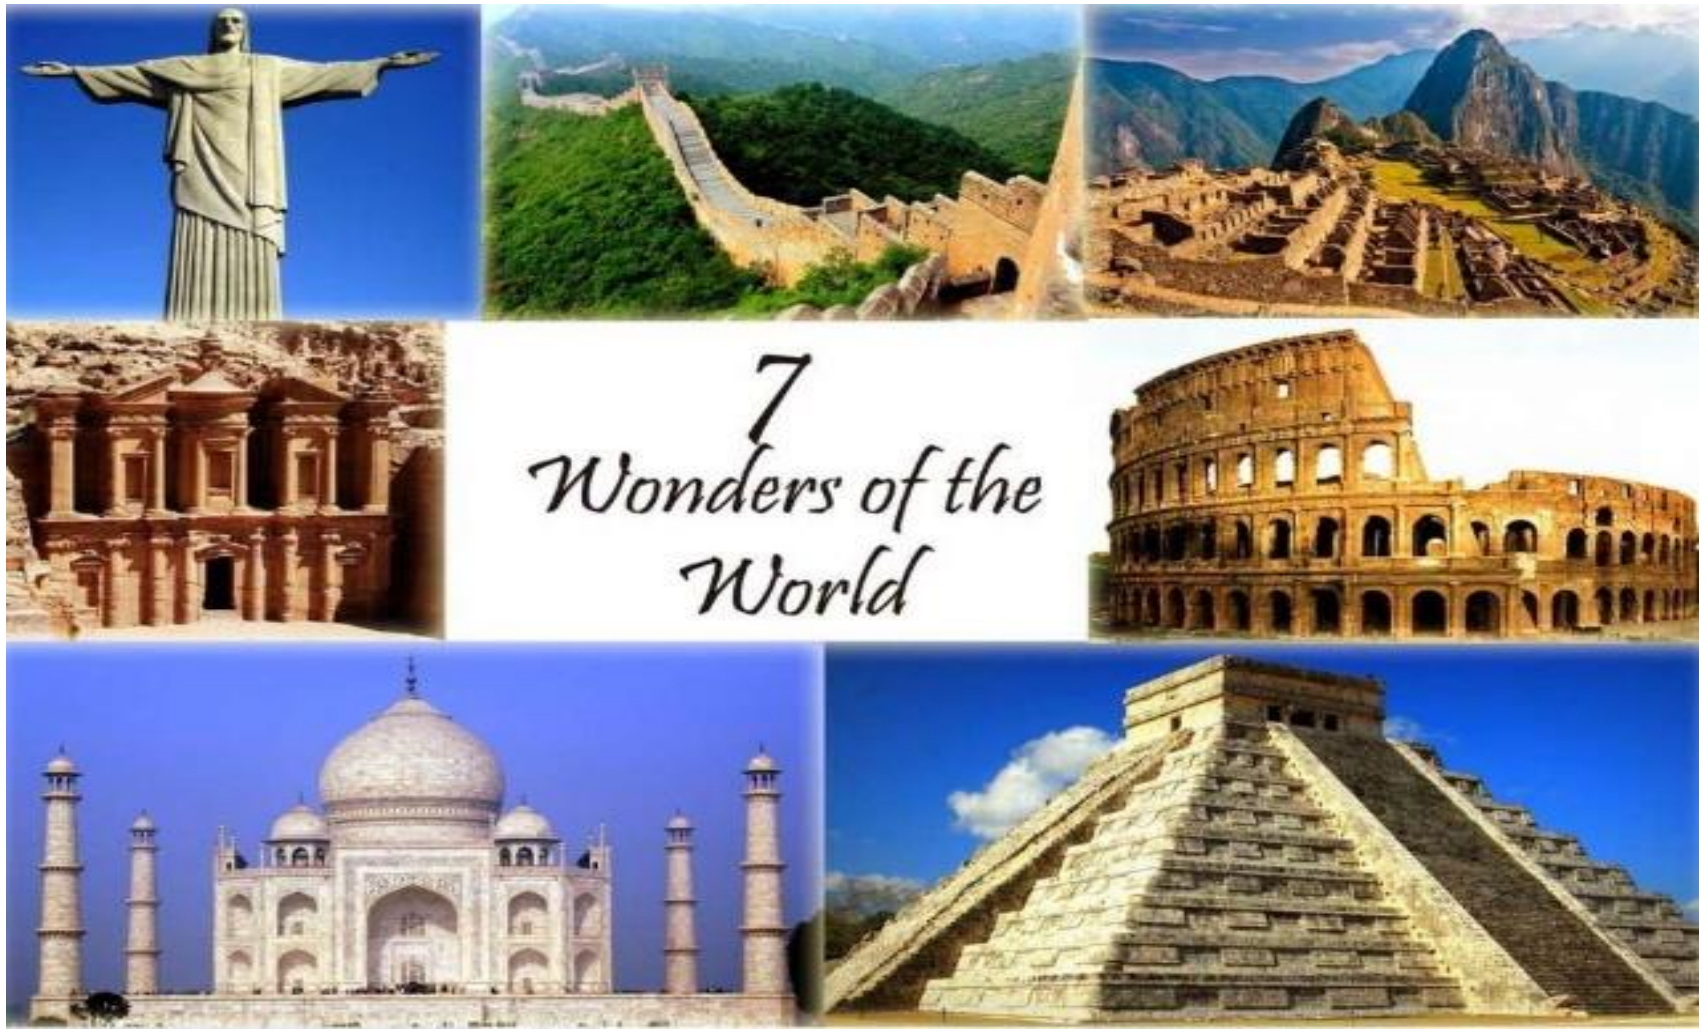

Pop your thoughts in your book

Here are some of the wonders of the Ancient World, can you name any of them? It's ok to ask an adult or do some of your own research

- Why do you think people visited these sites?

These are the modern wonders of the world, can you name them?

Have you visited any of these sites, or would you like to visit them during your life?

Now let's think about **your own** 'wonders of the world' They could be natural, human-made or a mixture.

Can you choose a place for each of these 7 concepts:

- excitement,
- fun,
- love,
- faith,
- peace,
- inspiration,
- memory.

You can choose images from the internet to illustrate them or simply draw them, underneath your picture can you give the reasons for your choice.

These seven concepts (excitement, fun, love, faith, peace, inspiration and memory) are all significant in human journeys.

A pilgrim is a person who makes a special journey. It is different to a holiday. In your books can you tell me why? Remember I am interested in your thoughts and opinions, tell me what you think.

This clip will help you form your answer

What shall we pack?

Here are your suitcases,
* One will be packed with appropriate items for your ordinary journey.
* The other you will pack for your pilgrimage.
What will you put in them?
How might someone about to go on a pilgrimage or spiritual journey prepare?
