Dear Diary 19th March

Today I had a lovely surprise! I was completely shocked and amazed when Angel Gabriel appeared in front of me. I was folding the washing when he arrived. He was so kind and gentle, and all around him was glowing. I couldn't believe my ears when he said I was the chosen one and that I would be blessed to be the mother of the Son Of God. Wow – imagine that! Me! Mary from Nazareth chosen to be blessed. I can't wait to tell my cousin Elizabeth, she will be so happy for me.
