Activity A20

Bites and stings charades

BITES AND STINGS CHARADES ACTIVITY

- Please put class into pairs or small groups.
- Hand the students a pack of animal/insect cards that are in resource section below (1.1). One of the students in the group takes the cards and does not show the others.
- The student with the cards must non verbally imitate the animal/insect that is on the card. Others must try to guess what it is.
- Once they have guessed correctly, they each must hold up their speech bubble card (1.2) to states if they think it bites or stings.
- This is a 2-minute timed activity, but more time can be allowed if it is required.
