Key Stage 1
Summer 2 2021

The Key Stage One Team This Year Are...

Class Teachers:
Miss Benham
Mrs Harris

Class Assistants:
Mrs Allaway
Mrs Brown
Mrs Lomax
Mrs Thomas

Sports Coach:
Mr Deverall

Welcome Back!

We hope you had an enjoyable half term break and are feeling refreshed and ready for the last term of the academic year!

The children have very much enjoyed our Bounce! topic this term. We are excited to launch our new topic Enchanted Woodland. We have arranged a trip to Braywick Nature Reserve to help inspire the children and provide an insightful learning opportunity. There will be a letter to follow explaining all the information you need.

Key Dates To Remember This Term

FIRST DAY OF TERM	Monday 7th June
YEAR 2 BRAYWICK TRIP	Monday 28th June
YEAR 1 BRAYWICK	Tuesday 6th July
INSET DAY	Friday 9th July
LAST DAY OF TERM	Wednesday 21st July at 2.00pm

Notices

- Please look at the key dates. Any additional dates will appear on the school's newsletter as they are arranged. Please also check Seesaw weekly for any additional events and the website for our homework grid.
- Please continue reading with your child regularly. Don't forget to do the sounds before you start the book and question your child about their understanding of what they have read every few pages. Comprehension and inferences are a vital part of the reading process. **Reading books will be changed daily and we will continue to quarantine returned books.**

- **Both Inkpen and Rosen have P.E. on Tuesday and Friday. Please dress your child for P.E. before school and they will remain in PE kit throughout the day.**
- Please also provide the correct kit for PE, including trainers and a plastic bag for these to go in incase they get muddy. Kit also needs to be clearly labelled with your child's name. **Please email the school office if they cannot participate in PE because of an injury**.
- All home learning should be uploaded onto See Saw in order for children to receive their house points. Please continue to send in your child's reading record daily so we can monitor reading stars. Your child needs to read a **minimum of 4 times** a week to qualify for our Reading Stars Award each term.

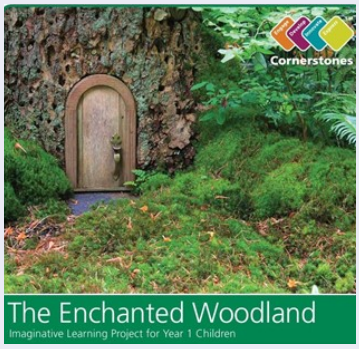

HALF TERMLY ACHIEVERS

A huge well done to:

Romeesa & Sienna

for being the
Half Termly Achievers
last term

This Half Term

Here is an overview of what we will cover in the different areas of the curriculum this term. Please encourage your children to complete tasks on the homework grid. Please upload any completed tasks to See Saw as we are not collecting homework in school**.**

English: The children will be exploring our topic Enchanted Woodland through both fiction and non-fiction books. They will write non-chronological reports about nocturnal animals, read some magical stories in woodland settings, and write their own stories and poems about magical woodlands.

Mathematics:

Year 1 We will be moving on to time and money firstly exploring practically, this is a really good opportunity to practice using time at home, the children only need to be able toe read analogue clocks at this stage.

Year 2 with also begin with time and move onto measuring mass, capacity and temperature. The children are allowed to wear watches in school to help aid with this, please make sure that they are not expensive.

Computing: The children will be using the programme Scratch to look at sequences of commands and use logical reasoning to predict what they do. They will then program their commands to see if their predictions are correct.

Music: The children will broaden their musical vocabulary, looking at pulse, rhythm, and tempo in particular. They will be using tuned and untuned percussion to create their own compositions and writing these as simple notation.

PSHE: The children will be investigating the meaning of inclusion and acceptance through Prevent lessons. They will also receive their RSE lessons.

Topic: In Geography the children will draw a simple picture map of an imaginary woodland, including features such as evergreen and deciduous trees, paths, clearings, grassy patches, a stream, gates, fences and dens. They will also include a simple key.

Science: We will be identifying local trees and learning about the similarities and differences between deciduous and evergreen. During our trip to Braywick Nature Reserve we will investigate the local flora, fauna, and trees identifying patterns of trunks and leaves.

Physical Education:

This term we will be preparing for Sports Day and practicing the different skill associated which each race. Please ensure that all children have a clearly labelled PE kit and are wearing their house top with appropriate footwear such as trainers.

Art and DT: We will be using different art forms to contribute towards a class enchanted woodland. The children will draw their own woodland scenes and make different 3D models.

RE: Our topic this term is special places. The children will be learning about churches, synagogues, mosques and temples and their significance in our spiritual lives.

Our Value

this term is:
