Key Dates To Remember This Term

FIRST DAY OF TERM	Monday 19th April
LAST DAY OF TERM	Thursday 27 May
INSET DAY	Friday 28 May

HALF TERMLY ACHIEVERS

A huge well done to:

Rebeca and Harrison

for being the
Half Termly Achievers
last term

Welcome Back!

We hope you had an enjoyable Easter break and are feeling refreshed and ready for the new term ahead.

We would like to take this opportunity to thank you for all of your support with home learning last term, we couldn't have done it without you!

The children will follow the same timetable as before with P.E. continuing to take place on Tuesdays and Fridays.

All home learning should be uploaded onto See Saw in order for children to receive their house points and will now be monitored once a week. Please continue to send in your child's reading record and book daily even if the book doesn't need changing, this helps us to monitor for our reading stars and read with your child. Your child needs to read a minimum of 4 times a week to qualify for a Reading Star prize.

Notices

Firstly, please look at the key dates. Any additional dates will appear on the school's newsletter as they are arranged. Please also check Seesaw weekly for any additional events and the website for our homework grid.

Please continue reading with your child regularly. Don't forget to do the sounds before you start the book and question your child about their understanding of what they have read every few pages. Comprehension and inferences are a vital part of the reading process. **Reading books will be changed daily and we will continue to quarantine returned books.**

Both Inkpen and Rosen have P.E. on Tuesday and Friday. Please dress your child for P.E. before school and they will remain in PE kit throughout the day.

Please also provide the correct kit for PE, including trainers and a plastic bag for these to go in in case they get muddy. Kit also needs to be clearly labelled with your child's name. **Please email the school office if they cannot participate in PE because of an injury**.

This Half Term

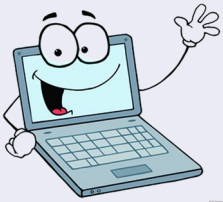

Here is an overview of what we will cover in the different areas of the curriculum this term. Please encourage your children to complete tasks on the homework grid. Please upload any completed tasks to See Saw as we are not collecting homework in school.

English: The children will be reading fiction and non-fiction books around the topic of Bounce and sports. They will be writing their own bouncy stories, writing alternative endings for stories, fact files about sports, and rules for games this term.

Mathematics: Year 1 will be looking at multiplication and division counting in steps of 2,5 and 10 and making and adding equal groups. We will also introduce fractions this term. **Year 2** will begin with recognising and finding fractions of quantities and shapes. We will then move onto Geometry and measurement.

Computing: We will be linking literacy and computing by word processing a short story and illustrating using a simple program. We will then be moving onto looking at algorithms and how they are used in different games and programs.

Music: We will be listening and responding to different musical genres and reflecting personally on musical preferences. We will also be identify long and short notes and noticing rhythmical patterns.

PSHE: The children will be learning about how to manage money and be fiscally responsible.

Home Learning grids are given out each term and can be found on the class page. Mathletics homework will be set every Friday.

Topic: We will be learning about the history of the Olympics and how it has changed over time, we will explore the Paralympics and famous inspirational Olympians. We will investigate the 2012 London Olympics and consider its legacy in London and the surrounding area.

Science: We will be exploring our topic bounce through simple investigations involving measuring, classifying, and sorting. The children will be planning, conducting, and recording the results of their investigations.

Physical Education: The children will be developing their ball skills through catching and throwing. Please ensure that all children have a clearly labelled PE kit with appropriate footwear such as trainers.

Art and DT: We will be working towards creating a class sculpture using different balls. We will also be creating a piece of artwork by rolling and bouncing balls in paint. The children will also be working with clay to create and paint their own balls.

RE: Our topic is called 'Are some stories more important than others?' The children will be learning some Old testament bible stories and considering what they show us about what God expects of us and what we can expect from God.

Our Value
this term is:
Friendship
