

Desmond Tutu

A famous South African Anglican cleric and human's rights activist.

Desmond Tutu received many threats, including death threats, in the 1980s, for his fearless opposition to racism in South Africa. He said that he was not scared to continue to speak out:
'What can they do to me?
They could kill me. But death is not such a terrible thing for a Christian.'

Why is it that many Christians feel that the resurrection of Jesus means that death is not the end?
