Year 5 and 6 – Week beginning 16/11/20 Isolation timetable

	Day 1	Day 2	Day 3	Day 4	Day 5
Literacy	Spelling and Grammar In the resources, you will find a 'Spelling learning strategy' sheet. Create a poster which explain the spelling learning strategies. Then, choose 10 spellings from the Year 5/6 statutory spelling sheet and using the strategies learn the words.	Writing – Prepare In class, we are reading Pig Heart Boy by Malorie Blackman. We will be reading up to Chapter 8 this week. If you can get a copy of the book, please do the same. This week we will be writing a non-chronological report on the circulatory system. Today, using the 'writing a non-chronological report' powerpoint and the link, create a poster showing the features of a report. Link: https://www.bbc.co.uk/bitesize/articles/znq4kmn	Writing – Prepare Today, using the information on the circulatory system found in the resources, take notes on the circulatory system. You will be using your notes tomorrow to write a factual report on the circulatory system. Your notes do not need to be in sentences but it will be easier if they are bullet pointed and put under headings.	Writing – Writing and editing Today write up your non-chronological report. Edit and polish. Use the checklist to ensure you have included everything.	Reading Please select a reading comprehension activity from the resources. Spend time each day reading a book and discuss it. Use the questions in your reading record to help prompt discussion. Please also feel free to and tell us about the book you are reading using seesaw. Spend time looking at the Year 5 and 6 Statutory spelling list. Use https://spellingframe.co.uk/ to help you.

Maths Year 5	To change mixed numbers into mixed fractions. Monday Video Please watch the video and then complete the sheet.	To count up and down in fractions. Tuesday Video Please watch the video and then complete the sheet.	To order and compare fractions less than one. Wednesday Video 1 Wednesday Video 2 Please watch the video and then complete the sheet.	To order and compare fractions greater than one. Thursday Video Please watch the video and then complete the sheet.	To understand adding and subtracting fractions. Friday Video Please watch the video and then complete the sheet.
Maths Year 6	Fractions on a number line https://vimeo.com/468943588 Watch the video and complete the sheet. Use the answer sheet to mark your work and address any misconceptions.	Compare and order denominators https://vimeo.com/468944608 Watch the video and complete the sheet. Use the answer sheet to mark your work and address any misconceptions.	Compare and order numerators https://vimeo.com/470094736 Watch the video and complete the sheet. Use the answer sheet to mark your work and address any misconceptions.	Add and subtract fractions 1 https://vimeo.com/470094960 Watch the video and complete the sheet. Use the answer sheet to mark your work and address any misconceptions.	Add and subtract fractions 2 https://vimeo.com/471344877 Watch the video and complete the sheet. Use the answer sheet to mark your work and address any misconceptions.
Foundation Subjects	Odd socks week This week is Anti-bullying week and today we are all wearing odd socks to celebrate our differences and to help us understand that we are all unique. Please write a paragraph about how we are all unique and how that is a positive thing.	Spanish This week we will be recapping the days of the week and times of the day. Please look through the powerpoint and then have a go at filling out the timetable by putting the days and the times of the day in the correct order. In each box you can then draw a picture of an activity	RE Was Jesus the Messiah? Can you come up with some clear reasons why Christians believe that he is the Messiah. To make wider connections, recall the 'big story' of the Bible, and why the People of God needed a rescuer. Use the ideas explored so far in this unit (lessons you have done in school) to	Science Watch the music video called The Bloodmobile: https://www.youtube.com/watch?v=Futnu_6NmQo&list=RDQ5lSXFa5CY4&index=21 This song explains the different jobs that the circulatory system does for the body. It is catchy and fun to watch.	Art Today, we will be drawing a scientifically accurate picture of the heart. Sketch and colour a 2D picture of the heart. This is a scientific diagram and therefore needs to be labelled.

	Please design your own pair of odd socks and complete the odd sock mindfulness colouring found in the resources.	you do at that time. You can be as creative as you like!	answer the question, 'Why do Christians believe the world needed a "Saviour"?' Task Not everyone thinks Jesus is the Saviour from God, but why might people think that the world needs one? Imagine that there is a God: if this God sent a new messenger to Earth in the twenty-first century, what would the messenger say? It would need to be a message for all people, not just those who believe in God!	When you have watched it a couple of times choose a way to pass this information on to another person. You could design a poster, write an explanation or create an informative powerpoint. You could write a script for a 'documentary' and record it. Whatever you want to do – just make it interesting and factually accurate! We look forward to seeing what you create on Seesaw.
