Story Planning

Introduction – -Interesting story opener -Introduce main character and describe -Where is the story set? Describe	
Build Up – -Find out more about the characters -Clues that lead up to the problem in the story	
Problem - -The conflict or climax in the story -What goes wrong? -How do the characters react? -How do the characters feel?	
Resolution – -How does the character solve the problem? -Where does the character go?	
Ending – -How does the story end? -How have your characters changed? -What have they learnt?
