What is Propaganda?

Definition: the deliberate spreading of information to influence the thinking of a nation.

Take a look at these World War 2 posters...

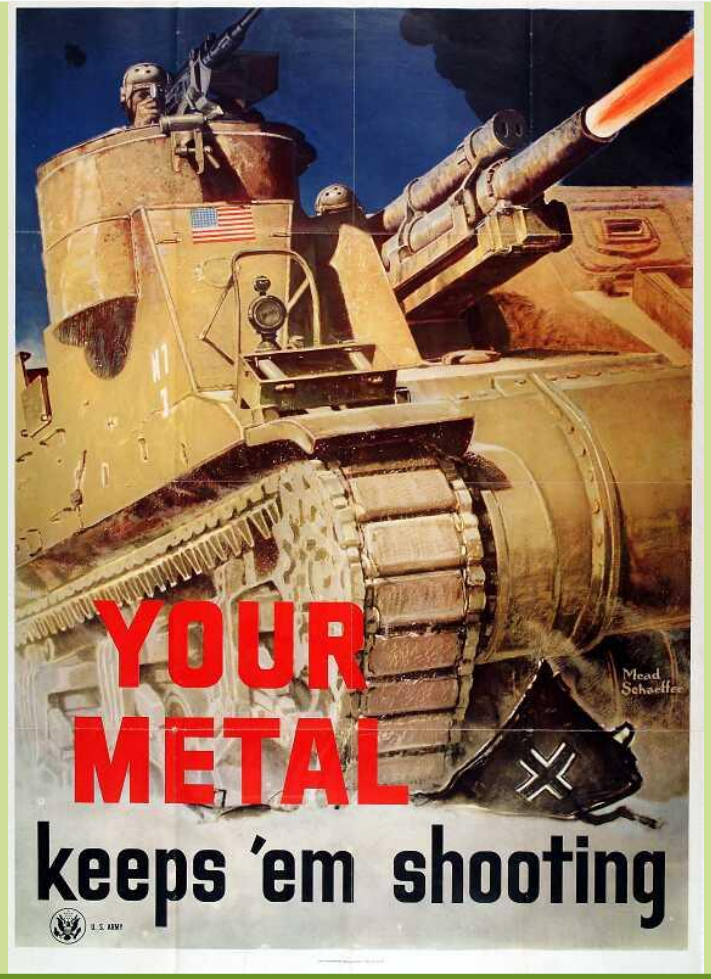

What is the message here?

Why do you think propaganda was used in Britain?

What type of propaganda posters do you think Germany would have printed at that time?

twinkl.co.uk

Here are some slogans:

‘Stand firm!’ ‘TOGETHER’

‘It’s a full time job to win’

‘It does matter, the country pays for it!’

Now design your own poster using one of the slogans and then think about making some slogans for life today.
