Ask an adult about what is was like for them to go to school? How different is it to schools today? .	Make a drawing or painting of what a school looked like in the past and the same for our school. What are the differences between them?	Draw a plan or map of your ideal neighbourhood. Who would you like to have living on your street? You might choose fairy tale characters, sports champions or pop stars. What type of house would your ideal neighbours have? Create a key to show features on your map. What local amenities would your residents need? For example, Harry Potter might need a wand shop, and Rapunzel might need hairdressers!
Make a list of plants that grow from seeds and ones that grow from bulbs. What is the difference between bulbs and seeds?	Roll a die and multiply the number that appears by your focus times table. We are practising 2, 5 and 10 so roll a 3 and times it by 2.	Find out some facts about Victoria schools. Make a leaflet or booklet about it to share with the class.
Visit a local shop with your grown up. Write a shopping list before you go. Pay for your shopping and work out your change.	Starting with the letter 'a', list a word to do with Spring for each letter of the alphabet. E.g. a=April, b=Bulb, c=Chicks.	Ask your adult if you can buy some seeds or bulbs. Plant them someone important to you. Take pictures and record their growth.
Value – Responsibility – Ask your adult if you can help with a job that you wouldn't normally do.	Do a good deed for someone at home without needing to be asked. I.e. help Mum bring in the washing, set the table, etc.	Arrange with your family to do something to improve the local community. This could be litter picking, helping a neighbour with some shopping or volunteering at a local charitable organisation. Take a picture of the work you did for your class blog. Write about how it made you feel.
