PE **LO: To design a ball game to be played to build a specific ball skill** **Task** – Today would be PE – your task is to think of a ball game (cricket, netball, football, basketball, rugby) and design a game that develops an area of skill required to play that game. Think about keeping the participants moving, how they will be improving their skill level throughout the game, encouraging sporting values (mutual respect, tolerance and acceptance of others) What are the rules? How do you score a point? **PSHE** **LO: To design a comic strip where a level of respect has to be demonstrated by someone** **Task** – Think of a situation where you have needed to show respect to someone else (and received it back in return!). We have discussed lots of		A ball Space to practice and develop a game Pencil Paper Colouring pencils Colouring pens	

situations in school as part of our school value this term in assemblies and in class. Your task is to design a comic strip/story board that tells the story of what happened – why did you need to show respect and what happened in the end. You can draw pictures and have captions to help explain. Please have at least 8 boxes for example: |
