Set B

Write the times shown below in words:

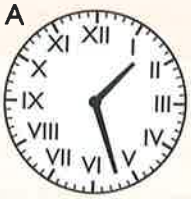

1 

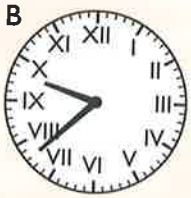

3 

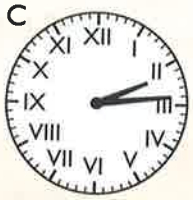

2 

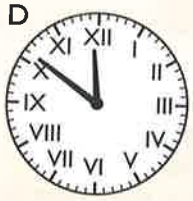

4 

Look at the clocks below:

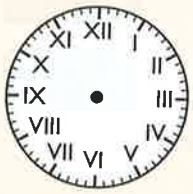

A 

B 

C 

D 

On a copy of the clock on the right, draw hands to show:

5 Nine o'clock

6 Quarter to six

7 Twenty past eight

8 Ten past twelve

9 Twenty-five past seven

Write the letter of the clock that shows:

10 14 minutes past 2

11 9 minutes to 12

12 27 minutes past 1

13 22 minutes to 10

14 What time was it 30 minutes after noon? Give your answer in words.

Set C

Write the times shown below in words:

1 

4 

2 

5 

3 

6 

7 What time will it be 60 minutes after midnight? Give your answer in words.

8 What time was it 52 minutes before noon? Give your answer in words.

9 What time will this clock show 37 minutes later? Give your answer in words.

10 What time did this clock show 18 minutes earlier? Give your answer in words.

11 What time will this clock show 2 hours and 55 minutes later? Give your answer in words.

I can tell and write the time from analogue clocks.
