Times tables 99 Club – Remember you can pass at home! Try Maths problems of the day 10 – Challenge yourself with page 2.
Maths – Time Please use every opportunity to practise telling the time. As last week, please choose the bits that you feel are most relevant. Please write down the time that you start and finish each task.				
Maths Task Year 3 Telling the time to 5 minutes Telling the time A & B Publisher doc with fluency, reasoning & problem solving – Page 1 Challenge: Using calendars 1	Maths Task Year 3 Telling the time to nearest minute Telling the time C Publisher doc with fluency, reasoning & problem solving – Page 2 Challenge: Using calendars 2	Maths Task Year 3 Drawing the Time & Calendars Drawing the Time to the Nearest 5 Minutes - Using a ruler, draw the hands on the clock to show the times written underneath. Publisher doc with fluency, reasoning & problem solving – Page 3 Challenge: Using calendars 3	Maths Task Year 3 Drawing the Time Drawing the Time to the Nearest Minute - Using a ruler, draw the hands on the clock to show the times written underneath.	Maths Tasks Years 3 Maths Online Please complete the Mathletics task set.
Maths Task Year 4 Days of the Week / Months of the Year Have a go at the worksheet, recapping days and months of the year. Use different online resources to help you if you are not sure. There are plenty of rhymes and songs on YouTube! ☺	Maths Task Year 4 Reading Calendars Do you know what a calendar is used for? What does it show you? Do you have one in your home? 1. Reading Calendars activity: there are three challenge levels to choose from. 2. Calendar Problems activity: Use your knowledge you have gained so far and expand on it. Good luck!	Maths Task Year 4 Passing the Time Word Problems Use your knowledge of the past few days to answer some of these word problems. Thinking carefully about the years and making sure that you add or subtract the time correctly.	Maths Task Year 4 Maths Mystery – Find the Thief! We know how much you enjoy the maths mystery activities - they are also great for recapping all of the Maths that you have covered. As always, work through each of the clues and find out who the culprit is!	Maths Task Year 4 Maths Online Please logon to Mathletics and choose a time activity to consolidate what you have learnt this week.
Meditation & Calm Down: Cosmic Kids Yoga (YouTube)				

History – Stone Age to Iron Age Timeline. Read through the power point 'Stone Age Bronze Age Iron Age.' Arrange the timeline cards in chronological order. Why are these ages described in these terms? Look at the cards again and think about which Age they are from. Make links and with your adult and discuss the chronology in relation to other periods of world history, such as the Ice Age, the Mesozoic Era, the invasion of the Romans, Ancient Greece or even the year you were born.	Science – Plants Last week we looked at the different parts of a plant. This week we are looking at what plants need to grow. Watch this clip: https://www.bbc.co.uk/bitesize/clips/z9f87hv Plants need water, soil and sunlight to be able to grow. Imagine you had four pots and four sets of seeds. How could you use these to set up an investigation to show that plants need those things? Plan an investigation stating what you would put in each pot and where you would put it. How would you record your findings? If you do have some seeds, (cress seeds are particularly good as they are fast growing) set up an investigation.	RE – Pentecost How were Jesus' friends feeling when he left them and went back to heaven after he rose from the dead on Easter Sunday? Read about the story of Pentecost (Power Point). Click on the flames and think about the questions. Activity: Pentecost Unscramble	Music / Science Use the link https://www.singup.org/home-schooling/ks2/the-tree-in-the-wood to listen to and learn the *The Tree in the Wood.* Can you get other members of your family involved? Do you know what a deciduous tree is? How about an evergreen? Can you find examples of each of these? Are there any in your garden?	Cross-Curricular Use the link https://www.singup.org/home-schooling/ks2/the-tree-in-the-wood to choose a follow-up activity (on PDF). Examples include: • Go on a nature Walk • Collect data about trees • Create a collage using natural materials • Research famous trees
