Rainbows have been a sign of hope recently but did you ever wonder how they were made? You may have seen one recently when we had lots of heavy rain. **Show Year 1 or Year 2 How rainbows are made PPT** **Task** – How to	Explain to the children that staying safe online is a lot like staying safe in the real world. We all have to think before we click and if we see something we don't like we must tell and adult. It Is also important to treat others with respect online like we would in everyday life. We should also never give out our personal information to a stranger such as our address and	Today we're thinking about a word we use a lot - perhaps every day. Sometimes it can feel like a very hard word to say. It's a word we use when we've done something wrong and we want to make things better again. Ask if they know what word you are thinking of..?' Continue: 'Yes the word is 'sorry'. Ask when they last said sorry to someone and why. Have a think about that now. Saying sorry can be hard to do. And we'll think more about that in a few minutes. But first we're going to watch a story. It's a famous story from the bible about saying sorry and asking for forgiveness. Perhaps you'll have heard of it. The story is called 'Jonah and the Whale'. **Watch-** https://www.youtube.com/watch?v=Jrh375bd_LA **Task –** **Year 1** – Sequence the story of Jonah and the Whale **Year 2** – Write the story of Jonah and the whale in your own words using the mini book template.	Read through beach facts https://www.scienceforkidsclub.com/beaches.html **Task** Reading comprehension (3 star difficulty, choose the one suited to your child) Extension – Tourism at the seaside https://www.bbc.co.uk/teach/class-clips-video/william-whiskerson-seaside-town/zd88qp3	Using a cereal box or any available container can you make your own underwater scene? Use whatever you have at home. Or for an easier alternative using a paper bowl can you make your own sea turtle like this one
