Topic Afternoon Grid

Science	R.E	Art	PSHE	Geography
Look through the life cycle of a butterfly PowerPoint. Now can you draw a diagram of the different stages of the cycle using labels? **Challenge** – Find out some different facts about caterpillars and butterflies. You could present them in a PowerPoint!	Design your own stain glassed window for St Michael's Church. Remember that stained glass windows in churches often showed a story from the bible, you could choose your favourite. There is a template to help you.	Use the 'How to draw a butterfly' to practise drawing a simple butterfly design. Once you have had a practise, look at different butterflies This website shows you ones you might find in the garden https://www.wildlifetrusts.org/wildlife/identify-garden-butterflies This is an a-z of all the different types https://butterfly-conservation.org/uk-butterflies/a-to-z Now have a go at drawing different ones.	Draw around your hand. Get an adult to write 5 things that are special about you. Now draw around an adult's hand. Write 5 things that are special about them.	See if you can remember how many continents there are and tell an adult? Look at the Continents PowerPoint with an adult, Year 2 see if you can read it to an adult. Now make a booklet or PowerPoint about a famous landmarks from across the world.
