Key achievements to date: 2021/2022	Areas for further improvement and baseline evidence of need: 2022/2023
School Sports Partnership. School signed up to the Ascot and Maidenhead School Sports Partnership, which enables the school to enter tournaments and sporting festivals. **Netball and Football League Entry** Mr Deverall to run a netball team and 3 football teams, including a girl's football team. This is promoted and celebrated through assemblies and match reports, which are on display on the sports board. **Netball County Champions** 8 girls from year 5 and year 6 won the Ascot and Maidenhead netball tournament, going on to represent Ascot and Maidenhead in the County Finals. The girls won every game and became Berkshire County Champions. **Swimming** Year 3 and 4 attended weekly swimming lessons. Children showed fantastic progress in their swimming lessons. **Inactive Strategy** Children identified as requiring access to physical activity, resilience and team work skills. Children have been encouraged to attend after school clubs. Focus group on Friday afternoons with Mr Vaughn from Magpies in the community taking part in fun physical activities. **CPD** Mr Deverall providing CPD with Miss Horner. Miss Horner has taken on teaching PE lessons with her class and Mr Deverall has provided feedback. **Dance Festival** 2 classes took part in the dance festival at the new leisure centre in Braywick. Year 2 and year 5 and 6. Children had a fantastic experience and worked very hard to produce two excellent dances.	**KS1 Active Stars** Aim to achieve Gold award for KS1 Active Stars, for example: more young leaders. Designated KS1 sports lead and high numbers of participation in inter and intra competition. **CPD Courses for Teachers** Provide teaching staff even more opportunity to enrol in CPD courses designed to develop confidence and knowledge in teaching PE lessons. This will result in a higher level of confidence when teaching PE across teaching staff in the school. **Swimming Lessons** Children from year 3 and 4 to attend swimming lessons, as well as year 6's. Children who are identified as not meeting the curriculum requirements will be encouraged to swim more often, communicated by letter to parents **Included in Ascot and Maidenhead School Sports Partnership** This allows children to continue to experience competition against other schools to enhance their learning at competition level. It also provides children who are identified as less active to participate in sporting festivals. **PE and Sport Growth** Termly PE assemblies to raise the profile of sport in the school event further. Including weekly PE stars of the week. **Social Media use** Proposal of introducing social media, to give parents access to key information about school sport. This can also be used as an effective tool to promote and celebrate the children's successes.

High numbers in After School Clubs Push for children to attend after school clubs, offering a wide variety of clubs to children for them to enjoy. Some clubs have been fully booked. **Events** • FSU Big Toddle- Charity Event and Sports Day • Year 6's day trip to Longridge Activity Centre • Year 5 and 6 Football league • Girls Football League • Netball League • Dance Festival	

FSU

Foundation and Nursery have been introduced to PE this year, taking part in the following PE Topics… Gymnastics, Dance, Tagging and Dodging and Ball Skills. They have developed in areas such as their fundamental movement skills and their spatial awareness, as well as their understanding of the importance of a warm up at the start of each lesson.

Room for further improvement:

- Have plans written and printed and kept in reception, in case of Mr Deverall not being able to teach the PE lesson.
- Use the time with Miss Sharp and Mr Deverall both in to do PE CPD

KS1

Year 1

The Year 1's have made good progress in PE with their physical skills this year. They have accessed a number of different PE topics and have been taught by both Mr Deverall and Mr Vaughn from Maidenhead Magpies. They are slightly behind with their physical development due to missing out on a large chunk of their reception due to COVID-19. However, they have access to their 2 hours of PE a week and 2 after school clubs in the week, with 20 out of the 30 children having attended an after school club this year. They still need time to understand behaviour points, such as keeping hands to themselves, not talking over others and following instructions.

Year 2

The Year 2's have made excellent progress in PE. They have shown progression in each PE topic, showing a good understanding of the coaching points, with many children performing at an exceeding level. They took part in the dance festival and performed excellently, as well as impress Jane Douglas in the dance lessons in term 4, with Jane being able to challenge them further as if they were a year 3 class. They have had good participation in after school clubs, with 15 out of the 27 children taking part in an after school club. The class discussion at the end of the lesson is to a very high standard, with children able to show their understanding of the learning points, and even able to self-reflect on areas they can improve on individually. An area of focus next year would be to challenge those children working at a greater depth

KS2

Year 3 and 4

Lower Key Stage 2 have attended swimming lessons, with many of them needing to meet the national curriculum requirements before they leave the school, so letters will be sent to parents with the aim of encouraging parents to take the children to swimming lessons. We have a good intake of participation for after school clubs, with 18 children out of 33 taking part. Children have been identified as requiring extra opportunity, to develop their health and fitness, team work and resilience have begun to work with Mr Vaughn on a Friday afternoon. Children have begun the second phase of the PE journey at Holyport, which is skill practice. Children have overall shown a good baseline of skill ability, with some areas of improvement needed in Athletics and Invasion Games. One of the sports that is a strength of the year 3's is netball.

Year 5 and 6

Upper Key Stage 2 have had a brilliant year for sport. They have excelled in football and netball, being competitive in both of their respective leagues. The football team had 3 different teams and netball had many children represent the school in both the league and tournament fixtures. PE lessons have looked at team work in particular, as well as being able to cope with winning and losing, which is still something to improve on at this upper key stage 2 stage. Some children find it difficult to manage their emotions when playing competitively, or even if it is a friendly game in PE. This is an area for improvement, and the introduction of regular sport assemblies, focusing on sportsmanship and controlling emotions is an idea to bring forward. There are up and coming sports competitions and festivals which the school is looking to take part in, which should see very high participation numbers for the year. Dickens class took part in the dance festival and produced a fantastic dance themed around world sport and the Haka war dance. This was a very fulfilling experience for the children.
