Year 1

Addition and Subtraction

#MathsEveryoneCan

Notes for use

- Provide children with equipment to support their understanding.
- Use as a whole class or in small groups and discuss each question together.
- Repeat stem sentences to reinforce learning.
- Look at the notes on each slide for further questions to enable and extend thinking.

There are 7 birds in a tree

5 more fly into the tree.

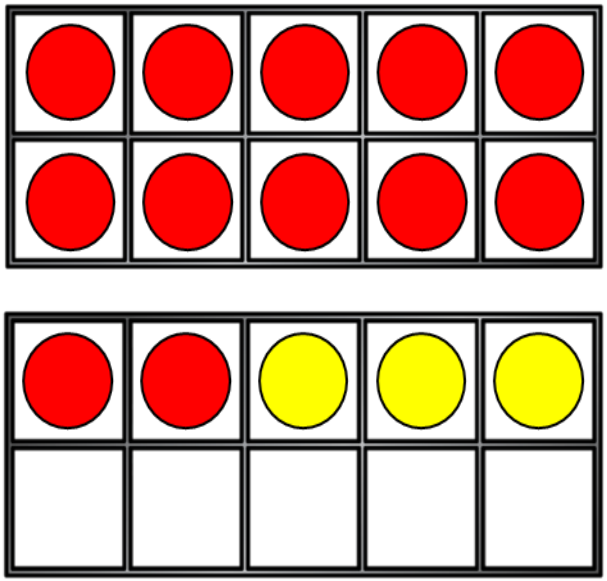

How many birds are there now?

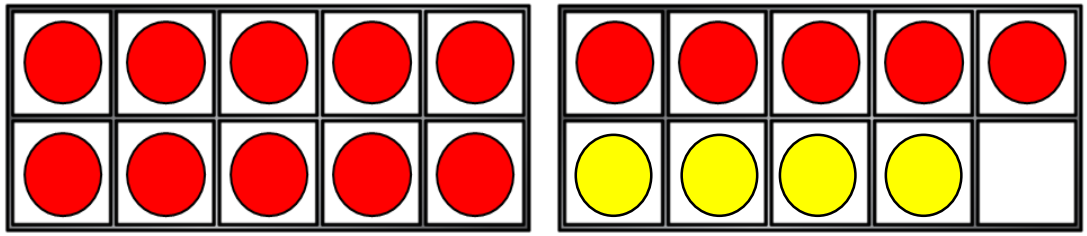

There are 12 birds now.

Complete the number sentence.

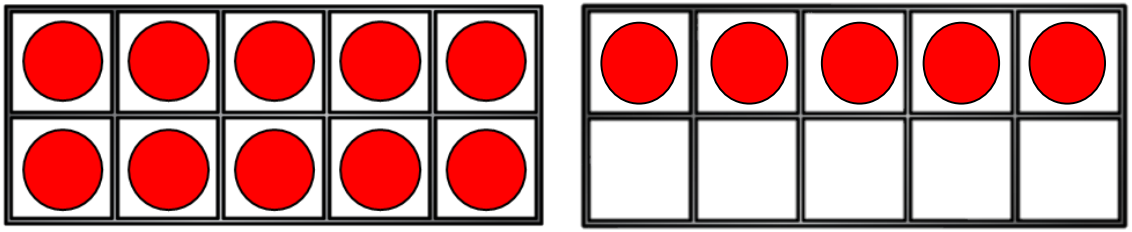

$12 + 3 = \boxed{15}$

Work out 15 + 4 = 19

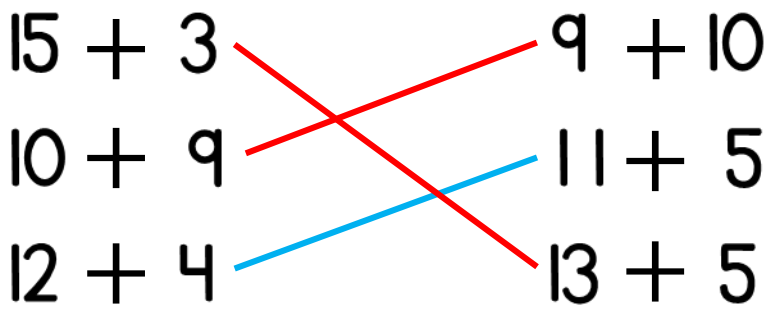

Work out 15 − 4 = 11

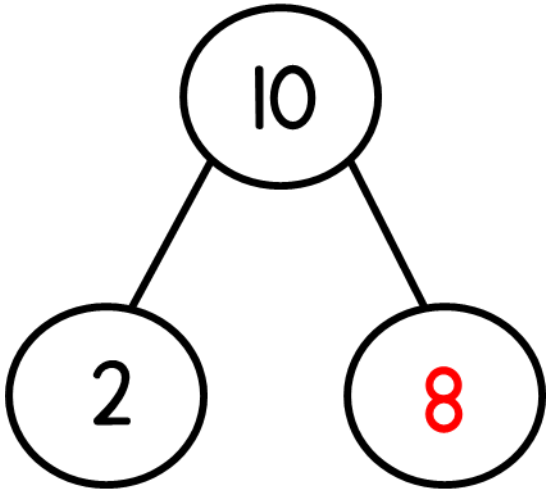

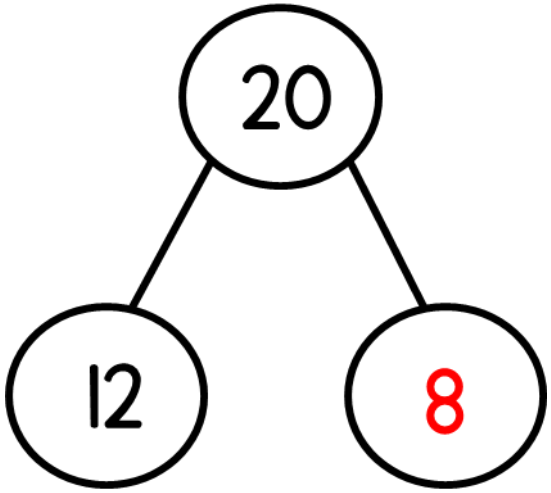

Join the number sentences which have the same total.

One has been done for you.

Complete the part-whole models.

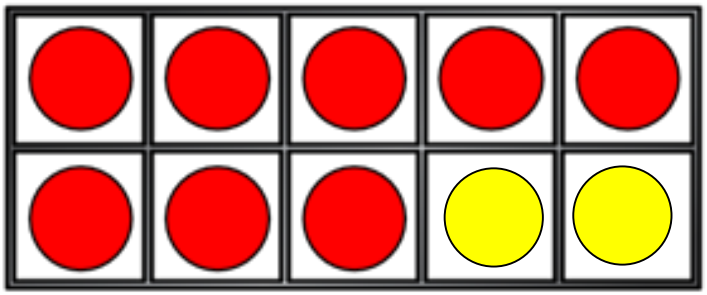

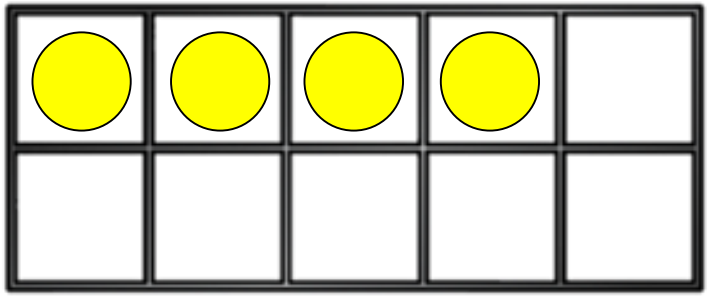

10 = 2 + 8

20 = 12 + 8

Mo has 8 counters

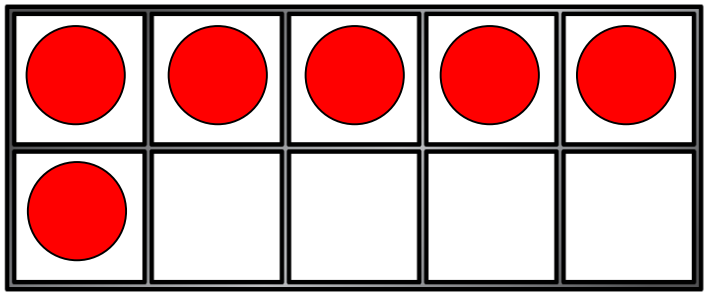

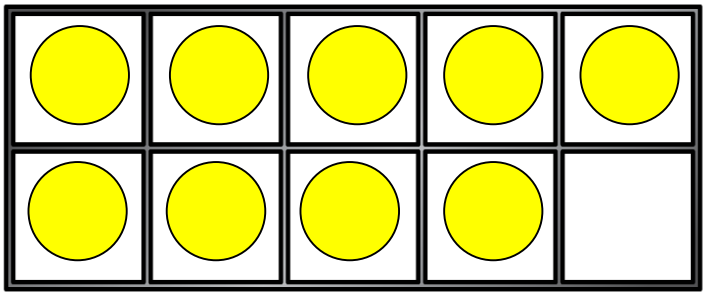

He adds 6 more counters.

How many counters does he have now?

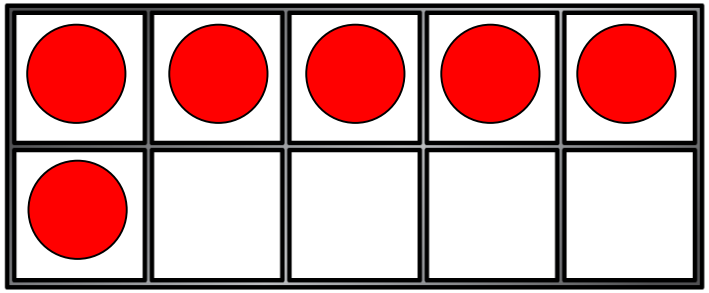

Mo has 14 counters now

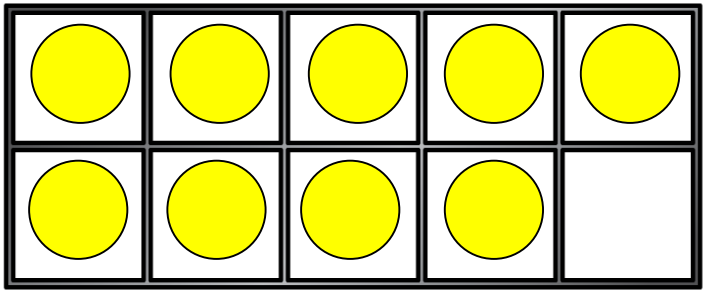

Work out $6 + 9 =$ 15

$6 + 9 = 5 + 10$

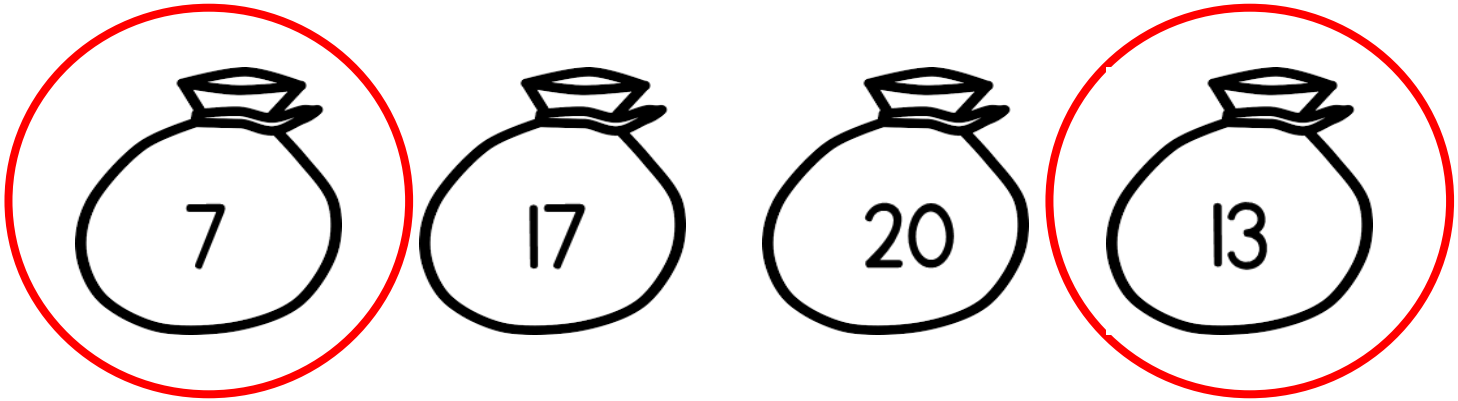

$6 + 9 = 10 + 5$

Eva has 2 bags of marbles.

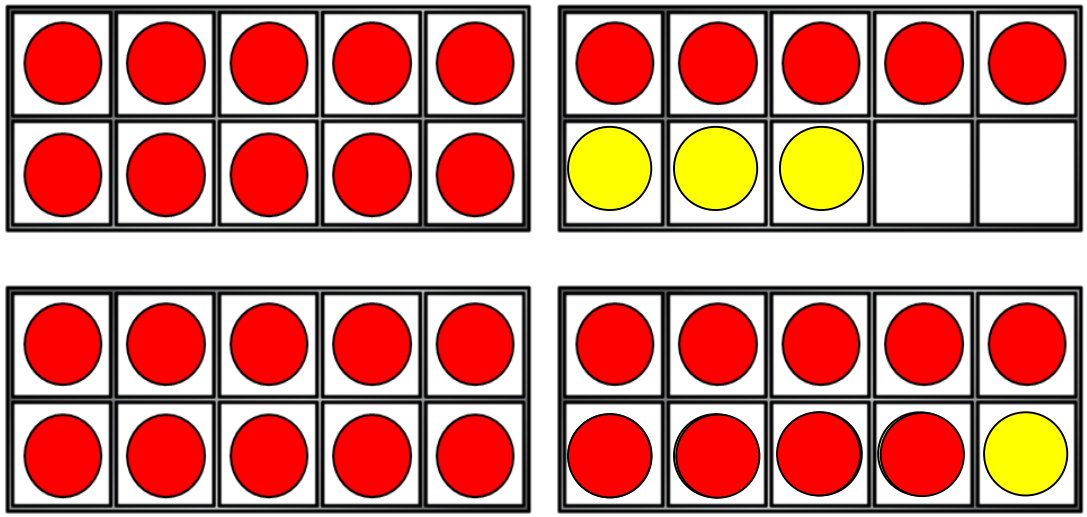

She has 20 marbles altogether.

Circle the bags she has.

Complete the number sentences.

$15 + 3 < 15 +$ [4...] 5...

$15 +$ [1...] $< 19 +$ [1...]
