English Week 4
L.O. I can identify time connectives in a passage.

As soon as Bob gets up he stretches and goes downstairs to make breakfast. After eating his eggs, Bob heads upstairs to wash and dress for work. While Bob is getting dressed he thinks about what he will do at work that day. Before reaching the launchpad Bob stops at the shop to buy sweets and a newspaper.

After arriving at the launchpad Bob puts on his spacesuit and boards the rocket. Before long he is on his way to the moon to start his workday.

Soon after landing on the moon Bob plugs in the hoover and gets busy cleaning. Meanwhile, tourists from Earth are preparing to board their rockets to visit the moon. Bob eats a quick lunch while planning all the flips and jumps he will do to impress the visitors. After tidying up and returning home, Bob can finally rest. At the end of the day he has a long hot bath and a cup of hot cocoa.
